## Nature 'n' Signature

Dr. Anand Nadkarni

### Adaptation of Swabhav-Vibhav

#### About the Book:

Six years ago, Dr. Nadkarni's Swabhav Vibhav presented a simplified version of Rational Emotive Behavioural Therapy (REBT), a form of psychoanalysis initiated by Dr. Albert Ellis, to the common man in India. He takes excerpts from our day-to-day lives to teach how to regulate emotions and understand differences in people. In the process, he traces the individual development, also keeping the social context in mind. An awareness of this practice, put into several different perspectives and covering a variety of issues from our daily lives, enriches the reader's quality of life, adds meaning and purpose to it and aids in making better human beings. An English adaptation of the same, 'Nature 'n' Signature' is a guidebook for mental health professionals, psychology students and the general population alike. The focus on self- development and stress management makes it useful for the corporate executives as well.

## नर्मदा परिक्रमा एक अंतर्यामी ठाकूर

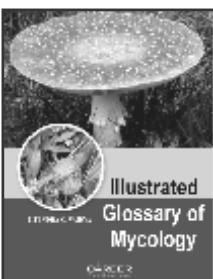

भारती ठाकूर

तीन सहेलियों ने नर्मदा परिक्रमा करते हुए दृष्टिगत होनेवाली प्रकृति, उस के भिन्न-भिन्न शोभायमान रूप, आदिवासी बांधवों से मिला सहयोग, बांध के कारण विस्थापितों के प्रश्न-इन सभी के प्रत्यक्ष अनुभवों की यह गाथा है।

नर्मदा परिक्रमा केवल पर्यटन नहीं, बरन् एक निराली दुनिया का विलक्षण अनुभव था। ऊबड़-खाबड़, अत्यंत दुष्कर मार्ग, जंगलसे गुजरनेवाला मार्ग और यदाकदा निर्जन भी। कुछ स्थानों पर सूर्य की किरणें भी अगम्य हो जाती हैं तो कहीं दलदल में पैर फॅस जाते हैं। कंकर-पत्थरों की चुभन तो सदैव होती ही रहती है। इन सभी बाधाओं पर मात करके लेखिका को क्या अनुभव हुआ?

प्रकृति और मानवता की अनुभूति, लेखिका के शहरी और तथाकथित शिक्षित मानस को एक नई दृष्टि प्रदान करने वाली थी। स्कूल-कॉलेज में मिली शिक्षा संभवतः अधूरी थी, इसीलिये लेखिका के लिये नर्मदा परिक्रमा, जीवन शिक्षा का Refresher Course थी।

लेखिका की इस परिक्रमा से क्या पाया? 'वसुधैव कुटुंबकम्' इस संकल्पना के बारे में केवल सुना-पढ़ा था। विश्वबन्धुत्व पर भाषण सुने थे, दिये भी थे। किंतु उसका प्रत्यक्ष, साक्षात् अनुभव इस परिक्रमा में लिया। विचारों की संकीर्णता को तिरोहित कर 'असीम परिवार' वृद्धिधंगत हुआ। केवल हुआ ही नहीं, अब भी हो रहा है। प्रत्यक्ष अनुभवों का यह वर्णन सभी को एक निराली दुनिया का, मानवता का परिचय करवाने वाला है।
